

## Jutta Bauer promoted by the Goethe Institute

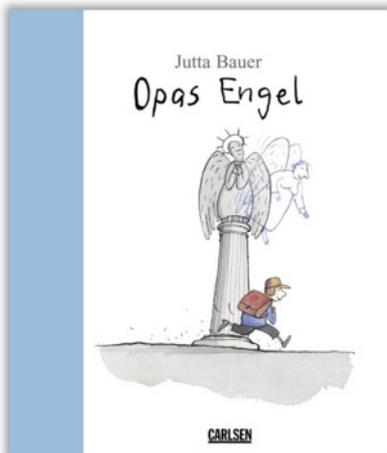

Jutta Bauer, whose complete work has been awarded the Deutsche Jugendliteraturpreis (German Youth Literature award) in 2009 and who has been honoured with the Hans-Christian-Andersen-price in 2010, is now being internationally promoted by the Goethe Institute.

We have listed below all her titles that have been published with Carlsen and would be delighted if you decide to join the promotion of Jutta Bauer and publish her books in your markets.

Please contact us for further information and if you wish to receive reviewing material.

### Grandpa's Angel

Hardcover with 48 pages  
4c illustrations

Grandpa is in a hospice and looks back on his life. His young grandson listens, enthralled, to his reminiscences. Grandpa knows he has been extremely lucky all his life. And so he has ... and the reader knows why: Grandpa's guardian angel has been working overtime! This is a book that will appeal to all ages, and will bring laughter as well as tears.

Among many the books received the **Peter Pan Prize Silver Star 2003 (IBBY Sweden/Book and Library Fair in Gothenburg)**

## A Sort of Nice Life

Hardcover with 32 pages

4c illustrations

177 x 206 mm

The man was once a child himself, of course. Everyone was a child once upon a time. He had lived with his parents in an attractive apartment. After his schooling he did an apprenticeship. He got up early every morning and went to work. And when the man had a family of his own, it was a good life. But then bad times came. "A Sort of Nice Life" is the sensitively told tale of a man who becomes homeless.
